KABUNA

Take part in your initiation to your leadership through a fun filled action - based learning programme focusing on developing your leadership style and attributes from a young age...

What is CoRE Kabuna?

A leadership programme for school students which enables them to evolve into better beings with the traits of empathy, humility, ethics and a sound value system.

Leadership:

Learn what it takes to be a leader from a young age. Immerse yourself in the world of leadership principles and practices and learn to become an authentic leader with empathy, discipline and empowerment.

Programme Highlights:

Duration: 3 Days and 2 Nights.

Method: Bootcamp, 100% Experiential, Action Based Learning.

Key Elements:

- Discipline
- Encourage and Empower
- Empathy
- Collaboration and Communication
- Value System, etc.,

Develop Yourself:

Understand yourself better by knowing one's strengths and weaknesses and learn to become a better contributor to team goals and be a better version of oneself.

What You'll Learn?

CoRE programmes are designed to enhance participants ideas on leadership by unlearning and relearning the views around leadership by placing them out of their comfort zones. You'll learn to be more open to ideas, empathetic and be more respectful of team principles and goals.
